Your overall experience of the tour, Your comments & Suggestions

Superb! Very able driver. Quiet. Well informed & able to answer questions about general info to his level of knowledge. Plans very well! Felt very safe and relaxed. Good, solid judgement. I was able to achieve my goal of walking along the road in full view of the Himalayas. He chose the hotel well, also. So I could not have been more pleased. Thank you so much for this wonderful opportunity to see the greatest mountains in the world with such a quiet respectful person as my driver.

All cars need pollution emission. Car is somewhat noisy. The car was clean inside. Lali bought windows screens which was a great comfort. Airconditioning was good. Little pillows would be a good addition.
