Your overall experience of the tour, Your comments & Suggestions

Comfortable clean car, well driven. We were impressed by Sunil's calm, careful driving. He gave us a lot of information both at destinations and during journey. His suggestions for things to see were very helpful and he was willing to adjust to our needs and wishes.

One problem we had when choosing which type of car to use was, that we did not know much about Indian models. If some form of equivalency to European models was on the web site it would be useful. Our thanks to Sunil for a pleasant tour.
