Your overall experience of the tour, Your comments & Suggestions

India is the new experience in our foreign journey. In spite of the fact that our trip is very intensive, and we often have to wake up early to be able to make big distances between the places which we want to visit - we are very satisfied. Our driver - Sunil all the time is very helpful and he takes care about us. Though the road traffic is very dangerous he drives very carefully, so we feel safely. He is very polite and he keeps the clean of the car.

We can surely recommend your office to our friends. We are also satisfied of the hotels, which were chosen by your travel agency.
